DESCRIPTION :

A competitive and insecure woman will tell you that "true love" is never giving up on someone you're in love with. A confident and spiritual woman knows that "moving on" doesn't mean you never loved someone. She realizes that letting go is what God needs her to do because both your happiness and hers requires taking different journeys for spiritual growth. Letting go is sometimes the hardest thing, but it is the most "real love" you will ever experience."
